Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Parkerville Road Sidewalk Construction in fiscal year 2024. The entity to receive funding for this project is the Town of Chelmsford, located at 50 Billerica Rd, Chelmsford, MA 01824. The funding would be used for the installation of new sidewalks on Parkerville Road between the Town Line with Westford and Maple Road. The project is an appropriate use of taxpayer funds because this section of new sidewalk has been identified as critical pedestrian infrastructure necessary to provide safe pedestrian access to residents in the community and students and families at the Byam Elementary School. In addition to providing safe pedestrian access for the Byam Elementary School community, new sidewalk along Parkerville Road would improve pedestrian connectivity and access to the Bruce Freeman Rail Trail, Heart Pond, and other local businesses near Rt 27 (Acton Road).

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan".
